

Amagansett Instrumental Program 2019/2020

May 29, 2019

Dear Parents / Guardians,

I can't believe the year has gone by so quickly! As we approach the end of the 2018-2019 school year and get ready for summer, now would be the perfect opportunity to begin thinking about playing an instrument in the 2019-2020 school year!

Beginning next year, your child will have the opportunity to participate in the Amagansett School Instrumental Program. Studying an instrument is a fun and challenging way to supplement your child's education. It provides a creative outlet and gives them something that they can continue to work with and improve upon throughout their time in Amagansett School and the rest of their lives.

If students select to participate in the Instrumental Program, they will be given lessons during the school day once a week 30 minutes. Children are pulled out of class for lessons, but we work on a rotating schedule so that they do not miss the same class more than once a month. All children participating in the Instrumental Lessons Program will also participate in Beginning Band class for the 2019-2020 school year.

Please take some time to talk with your child about participating in the Instrumental Program and see if they would be interested in playing an instrument next year.

If your child is interested, kindly fill out and hand in the attached participation slip.

If you have any questions, please contact me at the school at 267-3572 extension 254. Thank you.

Sincerely,

Mrs. Kamp
