Kindergarten - April Unit/Module Scope & Sequence (Learning to occur with a specific topic/piece of text)

Unit Title:

Reading Along with Music....An Introduction to the Xylophone and Bells

Topic: (Brief Description of Title, what we want the kids to learn)

On Rhythm Days (Tuesdays) children will continue to work with reading a rhythm band instruments chart and begin to focus on following along in the music without a teacher pointing at each symbol. We will also explore different techniques for playing the instruments and how the composer will tell you which one they want you to use.

On Melody Days (Thursdays) children will continue to work with reading along and following "written music." We will review the xylophone and continue to learn about its keys and pitches (this could also be later transferred to the piano or keyboard as we will be using "piano xylophones." More notation reading will also be incorporated including reading quarter notes, half notes and quarter rests as well as identifying other markings in a song or piece of music.

Overview/Objectives/I Can Statement associated with the Unit/Topic: (*Description of Learning to Occur*)

I can review the xylophone which I learned about last year and develop both my playing and music reading skills.

I can identify the groupings of 2 and 3 black keys on the xylophone.

I can identify the letter names of the white keys on the xylophone (C-D-E-F-G-A-B)

I can use proper mallet technique when I play my xylophone.

I can identify the C-D-E and G bells and boomwhackers.

I can identify a "Shh."

I can identify and explain the C major Tonic Chord with my desk bells.

I can compose my own song using patterns of "C-D-E-G" and "Shh" and long sounds and short sounds.

I can sing a variety of songs and explore my speaking and singing voices.

I can use a variety of classroom instruments in games and to accompany my singing.

I can use my body and classroom instruments to begin to develop a sense of steady beat.

I can connect elements of the music lesson with what I am learning in the regular classroom.

I can name at least one traditional Irish Instrument.

I can identify music from Ireland with my ears.

Lessons for the Unit: Summary of lessons that correlate to the unit

This Month we will focus specifically on coming to the music room, singing, dancing, playing together and having fun experimenting with music.

We will also be learning to differentiate our speaking voices from our singing voices and begin to be introduced to solfege singing. We will be learning about the difference between beat and rhythm. Students will be working to establish a steady beat through various activities and keep that beat going without teacher assistance.

Students will be introduced to a variety of classroom instruments as they continue to work with the *"The Tap, Shake, and Jingle Rhythm Band Program* (chart and accompanying CD recordings) Curriculum" by Joan Walker. This month, we will focus on the song, *"The Quacking Duck."*

Students will continue to work with the "*Pre-School Prodigies Level I Curriculum*" They will learn about pitch and rhythm through a series of interactive songs and games using the melody bells, desk bells, and boomwhackers.

Differentiated Learning Activities: *i.e. Judy Dodge, SIOP etc.*

Many Amagansett students already take piano lessons at home. At the beginning of the year, the teacher will identify which students are already studying piano and use these children as helpers throughout the xylophone portion of the class.

Content Vocabulary: (*Vocabulary consistent with content/topics learned*)

Steady Beat, rhythm, speaking voice, singing voice, echo, xylophone, piano, high sound, low sound, music alphabet (A,B,C,D,E,F,G), black key, white key, mallet, pitch, loud, soft, hand drums, triangle, tambourine, rhythm sticks, maraca, shakey egg, quarter note, quarter rest, double bar (stop sign), repeat sign, measure, bar line, desk bell, melody bell, boomwhackers, composing, chord,

Assessments: (i.e.-Writing, Graphic Organizers, Rubrics, Extended Response etc.)Assessments for this unit

Through teacher observation:

- Student ability to maintain a steady beat
- Student ability to sing / speak and differentiate between the two
- Student ability to correctly identify classroom instruments
- Student ability to follow along with the Rhythm Band Chart and play at the appropriate time
- Student ability to use instruments properly

Through guided listening games:

- Students ability to identify black and white keys and grouping of two and three black keys using the piano, xylophone
- Students ability to identify white keys (C-D-E-F-G-A-B) using the piano, xylophone
- Students ability to play the correct keys as prompted on their xylophones
- Student ability to follow along with the <u>Music for Little Mozarts</u> songs and play at the appropriate time
- Student ability to use instruments properly

Through activities at the Promethean Board monitored by the teacher:

- Students ability to identify keys of the xylophone that we have learned (usually C,D,E,F,G,A,B but it might be different from class to class)
- Students ability to identify groupings of two and three black keys on the piano and xylophone
- Student ability to identify and correctly count the quarter note, quarter rest, and half note (again, depending on the group)

Through the use of the Pre-School Prodigies Curriculum

- Student ability to follow along with the Pre-School Prodigies curriculum videos and to play the correct bell at the correct time.
- Student ability to successfully complete Pre-School Prodigies lesson book pages as passed out by the teacher.
- PROGIDIES LESSON BOOK PAGES
 - BOOK 4 --- Through the corresponding pages for lessons 4-1 through 4-3
