

Amagansett School Wake-Up Amagansett Band

Dear Parents and Students,

I have decided that I would like to try a little experiment with our instrumental music students this year. We have decided to run an “*Recess Wake-Up Amagansett Band*” this year!!

So...what is “Wake-Up Amagansett Band?” Interested students in grades 4-6 will meet with Mrs. Kamp on **TUESDAYS at recess** and will prepare selections to perform as parents and community members are arriving at each of our Wake-Up Amagansett presentations. The selections we prepare will come largely from our Band Brilliance Level I (and possibly Level II) method books and will coordinate with the theme of Wake-Up Amagansett.

There will be a meeting at recess on Thursday, October 26th for interested students to learn more about the program.

Because a band works as a team, I am asking children to make a commitment to being part of the group and attending all rehearsals for the month.

Please read and sign the attached permission slip and return it to Mrs. Kamp by **Monday, October 23rd** if your child would like to participate in the program.

Thank you

Mrs. Kamp
